

The Observer's Frame

December 4–18, 2015

Opening Reception:
December 4, 2015, 5–8p.m.
The Power Plant Gallery

A two-week exhibit of student photographs exploring the documentary tradition as lead by faculty in three three courses at the Center for Documentary Studies: Documentary Photography and the Southern Landscape, Color Photography, and Digital Documentary Photo: Capturing Transience.

This project is supported by the Office of the Vice Provost for the Arts of Duke University. The Power Plant Gallery is an initiative of the Center for Documentary Studies and the Master of Fine Arts in Experimental and Documentary Arts program at Duke University.
